

UNIVERSITY OF HARTFORD

COLLEGE OF EDUCATION,
NURSING AND HEALTH PROFESSIONS

**University of Hartford and CSRT Present:
Fourth Annual Radiography Imaging Conference
April 2, 2016
Wilde Auditorium**

Registration

7:30AM – 8:00AM

Biomedical Informatics: Imaging Systems in Radiology: Applications, Integration and Evolution. Presenter: Kori Stewart, MHS RT(R)(CT)(ARRT)

8:00AM – 8:50AM

The integration of informatics in imaging has been widely developed and embraced in radiology departments throughout the United States. Participants will learn about the development and implementation of informatics in imaging systems and will explore the evolution of many of these systems in use today. Current innovations and forthcoming applications will also be discussed with a look into the future of informatics in Radiology.

Cardiac Masses. Presenter: Richard Palma, BS, RDCS, RCS ACS, FASE:

9:00AM – 9:50AM

An in-depth demonstration of the different types of cardiac masses within the heart. How to differentiate malignant from benign tumors and how normal structures can appear to abnormal will be discussed.

The Palpable Breast “Lump”: Helpful Tips on Diagnostic work up.

10:00AM – 10:50AM

Presenter: Steven Urbanski, MD

Expectations of a comprehensive diagnostic breast imaging work up will be presented. The importance of concordance in imaging, biopsy and pathological outcomes will be discussed. A variety of case studies will be shown.

Clearing the Pediatric Cervical Spine Following Injury. Presenter: Rhianna Little, MD

11:00AM – 11:50AM

This presentation will discuss the characteristics of cervical spine injury in the pediatric population and the role of a systematic protocol in the clearance of the pediatric cervical spine. Identifying clinical and radiographic peculiarities of the pediatric patient as it relates to cervical spine injury will also be demonstrated.

*******ASRT Continuing Education Credits Pending*******

COST: \$50.00*

Please make check or money order payable to University of Hartford Radiography Program

REGISTRATION

Please respond by *March 25, 2016* by mail, e-mail or fax to:
